## "Flag Day" for Patriotic Fund

The ladies of the "Flag Day" committee have made arrangements to ask the public for contributions to the Patriotic Fund on the occasion of the celebration which is being held in Claresholm on Thursday, June 3rd. A number of the young ladies are to assist the committee and flags will be distributed by these young ladies on that day. The flags will be pinned upon the donor as a token that he has contributed and it will in itself be a "badge of honor." The "Union Jack" worn will not indicate the amount one has contributed, but a sense of honor will make every wearer do his utmost in his power for this Fund. Help the ladies in this worthy effort.

A change in the train times and service on the C. P. R. comes into effect on May 30th. No. 64 (Spokane-Calgary express) northbound is due at 10:12 a. m.; No. 538, southbound is due here at 11:48 a. m.; No. 539 northbound and No. 63 (Calgary-Spokane express) southbound will cross here at 8 p. m., exactly. Mail will be received by each train as before. The Calgary papers will come in at 8 p. m.

## "Let Us Remember"

REMEMBER, that the demands upon the Canadian Patriotic Fund are not decreasing, but are increasing and will increase with the growing of the Canadian forces at the front.

REMEMBER, that we have not removed our great personal responsibility by having made a contribution, however large, "six months ago, when the first fervor of patriotism stirred our hearts."

REMEMBER, to support this Fund is one way that we help to bear the burden of our own protection and the protection of the institutions under which we are enjoying our present liberty of thought and action.

REMEMBER, that the ladies of the "Flag Day" committee are to make an especial appeal to us on the King's Birthday, Thursday, June 3rd.

REMEMBER, that we are to be decorated by the fair hands of the ladies who are collectors for the Fund, with a decoration which carries with it the same honor, but, in a much less proportion, as the Victoria Cross. Each one who is given a "Union Jack" by the ladies will be known as one who has in some measure done something for his country and home. See to it that you are so decorated on Thursday, June 3rd.

REMEMBER, that the flags on "Flag Day" are not sold but are given as a token of the love and interest of the Patriotic Fund on that occasion as much as our conscience dictates and our circumstances permit. Give as much as you can. Give till you "feel" it. Make a sacrifice. Our boys who have come back to us with empty sleeves, or sightless eyes, will be of the same help if we do not do all within our power to swell the Patriotic Fund.

REMEMBER, Tag Day (Flag Day) on Thursday, June 3rd.

## Want the Dr. to Stand

In view of the fact that Dr. W. W. Wood, the Liberal member for the Macleod riding in the Dominion House, had offered his services to his country in the present war and that his services had already been accepted to the extent of his appointment as an assistant commissioner at Montreal, Dr. Wood wished to have on expression from the supporters of his candidature as to whether there might be a feeling that these duties which would necessitate his absence from his constituency for a time, thus preventing him from making in person the preparations for an election campaign should such be forced upon the country within the next six months, would make the selection of another candidate advisable. This request for such an expression was embodied in a communication from the secretary of the Macleod Constituency Liberal Association and as the time was brief,

for a reply, a meeting of the Claresholm Liberal Association was held in the office of J. R. Watt on Saturday afternoon. There was a fair representation of the town and district although the meeting was a short one. After a full discussion of the information contained in this communication the feeling of the meeting was embodied in a resolution which received unanimous support.

The resolution, which read as follows, was sent to the secretary of the Liberal Association of the riding and also to Dr. W. W. Wood.

"Resolved, that the Liberals of Claresholm town and district polls, after careful consideration of the communication from the secretary of the constituency Liberal Association, feel that Dr. W. W. Wood's past services to the constituency have been such as to command and draw forth the greatest loyalty to himself as the representative of this constituency, and that until such a time should arise, or circumstances become such, that the absence of Dr. W. W. Wood from this constituency should militate against the welfare of the constituency, we strongly advocate the candidature of Dr. W. W. Wood for the Macleod constituency and we affirm that there is an unqualified desire that Dr. W. W. Wood should remain in the constituency in the future, as he has done in the past."

There were fourteen present at this meeting of the Claresholm Liberal Association and a good percentage were representative of the country polls.

## Coming of Clinton Howard

The Alberta Temperance & Moral Reform League are sending to Clinton Howard on Wednesday, June 23rd, the hotel lecturer, Clinton Howard. Mr. Howard has been lecturing in different parts of the province in the interests of prohibition and the verdict of his audiences has been unanimously to the effect that his addresses are most interesting, pointed and practical. He is an orator and a pleader, in his presentation of his arguments and there should be a large attendance to hear Mr. Howard on the occasion of his visit to Claresholm.

## Moist Meadow Cr. Celebrates

It rained on the 24th and there was more rain. But the folks who were in crowds from the town and from the country to the Meadow Creek celebration might have been ducks for all the rain mattered. Nothing less than a cloudburst would keep the people away when the latch string is out at the Creek. The sports were held on J. J. Vance's place and a better location could not well have been chosen. There was room for the races and room for the games and rain or no rain nothing occurred to dampen the enthusiasm of the crowd. The cowboy stake race was the first and big event of the day and there were fifteen cowboy-men ready for this, Hat-off and whooping it, will-horsemen two around the field and when all was over Allan Stoddard was the winner. His mount was trained to slide sitting down and that did the trick. Broncho lusters aplenty were in for the next event and in case the horses did not come up to the backing more than two miles were there to laugh. But Patterson won the event and the crowd cheered for more. A collection was taken up and he rode another half-mile dance. Then some more rain and the kiddies and even the grown-ups hid their bonnets and let it rain. About three the ground was in fair condition for horseball (not water polo as some of you are going to say) and Clear Lake tight ended a hole in their belts and what was done to the Creek was a caution. A lake is bigger than a creek anyway. Here's who did it and who they did it to.

Clear Lake Meadow Creek

Caveny 2b  
G. Schumacher 3b  
S. Wyatt ss  
C. Schumacher cf  
W. Hargreave c  
Olen Berg lf  
W. Mackinnon

The score was nine circuits for the Lake and four for the Creek. L. G. Shortleif umpired and came home safely.

There was a refreshment stand on the grounds and it was well patronized. The lunch was taken picnic fashion on the grass. Everyone was there from Claresholm, that is everybody except those who could not negotiate a conveyance. The Claresholm band entertained the celebration with a new and choice repertoire. If you were not there it is a safe bet you wish you were.

## Good Prices for Horses

Twenty three horses were purchased on Thursday, 22nd inst. by R. E. Bell, at the government auction for the price ranging from \$140 to \$215. C. E. Tillson got the top price for a gelding. The horses taken were all of the heavy draft (artillery) class. Probably 45 per cent of those shown were purchased. The officers who made the inspection spoke very highly of the class of horses offered. Those purchased were shipped to Brandon, Man. At Granum on the day preceding about thirty were brought and at Nanton on Friday 22nd were secured. "Dug" Wilson, already famous as a rough rider, rode the majority of the horses offered and the prominent officer took him along to Nanton to ride there.

Are We Downhearted? No! Get in the Sport on Thursday, June 3rd, then.

A. E. McALISTER PROPRIETOR

Minister Says They're Good

The Hon. Duncan Marshall, minister of agriculture, on his return to Edmonton after his visit to the southern part of the province a week or so ago, expressed himself as highly delighted with the promise of a crop in the south. This was before the 3-inch downfall and the statement that there are prospects of a bumper crop has been repeated so often each year until it has become somewhat hackneyed. I do not know of a year in my experience of Alberta when the statement could be made with more justification. In those districts of the south where hardly an ear of grain grew last year, owing to the drought, there have been such abundant rains that the country has had a thorough soaking, and I never saw such an inspiring sight as when I travelled through these districts last week, with the strong and healthy shoots pointing the landscape a vivid green.

One thing Mr. Marshall noticed was the absence of weeds. Three years ago when he made a similar trip, tumbling mustard and Russian thistle were piled along the fences, in some cases five feet high, but now, largely owing to the co-operation of the weed inspectors and farmers, these weeds have been almost eradicated.

Indicates Public Sentiment

There is nothing more significant in relation to public sentiment as to the liquor traffic in these days than the almost absolute lack of voluntary support which the trade gets from the general press. In Alberta, where referendum on the liquor question is shortly to be taken, the liquor interests recently sought to obtain the insertion of paid articles in the local papers of the province. We do not know how many of the publishers refused absolutely to print the matter submitted, but it was noticeable that those publishing these reading notices mostly took special pains to let their readers know that they did so only as paid advertisements. Some papers even went so far as to try to "wash their hands" editorially by denying their acceptance of all of the line of argument advanced. The truth, of course, is that every wise-headed man knows that the kind of public sentiment he wants to enjoy and on courage is against the liquor traffic. He could not afford, even if he would, to back up the nefarious business. —The Nor-West Farmer.

Five a Month Beats Three

London, May 20.—The Evening News has received a despatch from Copenhagen saying that the report is current in German naval circles that 17 German submarines have been lost since February 18, the date of the commencement of the submarine blockade of Britain.

Father Needs No Help

The Pincher Creek Echo says: We have received an inquiry from a subscriber at Pincher Station as to why we do not celebrate father's day. That's no easy one. Simply because father has always been able to do his own celebrating and he doesn't celebrate only one day in the year either.

It's your Celebration. Be Loyal. Root all week for next Thursday.

At Home and Elsewhere

Several from Claresholm attended a dance at Gramum on Monday night.

There was a much enjoyed dance in the Meadow Creek schoolhouse on Monday evening to which many of the young folks stayed.

In a fight with a number of the aeroplanes of the allied air fleet, a German Zeppelin was destroyed in sight of the people of Brussels.

Dr. T. Wilson, for two years pastor of the Methodist church, at Red Deer, has been appointed chaplain to the 12th C. M. R. and will accompany the regiment to the front.

Cattle buyers have been busy in the town this week. F. A. Burton sold 21 head to Brewer & McDonald of Staveland, and F. A. Stonesold 19 head to W. M. Reid, of Calgary.

For an exhibition of roundups on Sunday which took the form of racing his horse up the main street, one of our local lads faced the inspector of the mounted police and was fined \$2.20 and costs.

Gramum had a little celebration all its own on Monday. The fixture was the ball game between Gramum and Grain Belt. The former won by a score of 16 to 4 and Gramum is now looking for new fields to conquer.

A letter received by Mrs. S. H. Price from her son in Belgium states that he saw Dad Munro and that at that time both had escaped casually. The grain was up about ten inches and the boys were awaiting the apple time.

Frank S. Grisdale, professor of field husbandry at the Old school of agriculture, has been appointed principal of the Vermilion school of agriculture, to succeed E.A. Howes, who has been appointed head of the faculty of agriculture at the provincial university.

There were over 100 in attendance at the lecture by Mrs. Jackson L. Silbaugh at the Methodist church on Wednesday evening. The address was a masterly plea for the support of the Claresholm and district people for the prohibition plebiscite which will be voted upon on July 21st.

The 13th troop train on its way to the camp at Calgary passed through Claresholm about midnight on Sunday without stopping. The only farewell was that given by the nightman at the depot who turned on all the lights on the C.P.R. platform. The boys were making noise enough to have drowned any other farewells anyway.

No news has been received to date of any casualties to the several boys who represent this town and district at the front. The son of S.H. Price, who is with the first contingent in Belgium, G. H. Young, the brother of Mrs. J. R. Watt and E. C. Duncan, the brother of the editor of The Advertiser, have so far escaped injury.

On Friday afternoon the junior football team from the public school journeyed to Gramum by cars loaned by R. E. Moffatt and D. B. Vanhorn and while there took the Gramum kiddies into camp with a 1-0 score. The youngsters from Claresholm were Harold Selby, John Vales, Morley Tillotson, Willie Farrer, Joyce and Logan Price, Joe and Tommie Ringrose, Frank Mackenzie, Robt. McKay, Lorne Gaudin.

The family of Lieut. Thos. Murray have moved from Macleod and are occupying the Herman house on Second ave. formerly occupied by Harry Cook. The family will remain in Claresholm while Lieut. Murray is with the 13th at Calgary and during the time of his service in the war. One of Lieut. Murray's Atrolas went along with the squadron as mascot. Frank Murray, a brother of the Lieut., has the other and already it has made life a little brisker for Frank. It escaped therefore it had been acclimated and was reacquainted after tiring the leg muscles of half the kiddies in town.

Claresholm wants you to help her celebrate June 3rd. Yes, YOU.
